Letter from the President

Hello Everyone,

We are still looking for an English/Western Show Division Chairs. Please talk to Paulette or Carol or myself about this opportunity.

The club is going great this year and the grounds are looking good. A big thank you goes out to Ann Mateesan for reproducing the dressage set up manual. Thanks for your time and effort on this project.

See you at the next gaming event, and good job to all of the division heads.

Thanks.

Shari

Next Board Meeting: Monday, August 9, 2010

Location: HHSC Arena

All HHSC members may attend. As this is a board meeting not a general membership meeting, discussions will only be allowed by members of the board, chairpersons, and pre-scheduled guests. If you have something you would like to have addressed to the board please contact the chairperson of the division you ride with in writing before the meeting and have them present it. Thank you for your cooperation.

Our first show of the season was well attended with 32 rides ranging from Intro to Second Level. A big thanks to Dan Bailey for dragging the arena and getting it into great shape for the show. I had a great group of people helping to make the show a success and we had nothing but positive comments throughout the day.

Our next show is on July 31st and we're looking forward to another great turnout. Please remind anyone who may be interested in showing that our pre registration is already open and closes July 25th. Pre registration is always recommended to insure available ride times for everyone wishing to participate.

Once again I'm looking for 3-4 people to help setup the dressage arena the evening before the show. Setup will start about 6pm and generally takes until 8pm. I also need another person to help calculate points during the show. If you are available to help in any way please let me know.

Dressage Show Sponsors

Another great day for our June 27th Games show. We had a total of 91 riders. I sincerely appreciate how everyone pitches in on all the many jobs that make each show run so smoothly. **So to the announcers, ring crew, rakers, timers, in/out gaters, registration, data entry, awards, raffle and judges; a BIG THANK YOU!!!** The following is a reprint from last month's newsletter but it bears repeating....

Since we are running three lanes consistently, you will see that the lane lines are now extended all the way to the fence in the start/finish area. This keeps the lane sizes the same for all riders and makes it easier for judges to determine lane position. Bottom line.... Stay in your lane during and after your run. Thanks!

English/Western Show Update

english&western@hollywoodhillsaddleclub.com

The 2010 Class List/Entry Forms are now on the website. There is a link on the left hand side of the English/Western Show page at www.hollywoodhillsaddleclub.com.

Wow! Time is flying by. The June and July shows were a big success. It is nice to see so many new groups and faces showing up to participate in our club shows. Of course we are always pleased to see the return of all our members from past shows. It is like a little family reunion each season.

Special Thanks goes to:

- Dan Bailey and Tom Short: dragging, grooming the arenas and mowing the trail course!
- Tom Short and Cookshack Crew: for providing us with wonderful food for the day.
- Ryan Short: Announcing the afternoon portion of the show.

Just a reminder: The August 14th show is the last show of the season. If you want to qualify for year end awards, you need to have shown in 3 out of the 4 shows and have your volunteer hours completed by the end of September. If you were not able to help at the shows, you can still get your hours in by helping with some projects on the club grounds. We are also trying to get a Jumper Fun Day planned for September and we will need many volunteers for that as well. Contact Carol or I for information on volunteering.
