You may ask the person responsible for the order in which people jump for a "Gate Hold", if, for example, two people are using one horse and it needs to re-saddled or you are unsure of the soundness of your horse. Generally this means you will be held out of the rotation for 1 or 2 rounds, depending how quick they are. If you are the last horse in that rotation you will be given 2 mins. Please be understanding of the woman doing this job, it is hard to keep all of you straight when she doesn't know who you are and whether you have added rounds or not. She is doing her best and will learn quickly.
